

Transportation

RTP – Regional Transportation Program

Aside from operating the Lakes Region Explorer bus ([CLICK](#) for route and schedule), RTP provides demand/response services for those who can't drive themselves or who need rides to medical appointments. It has services with buses, vans and volunteer drivers for senior, disabled and low-income residents of Cumberland County. They also offer a shopper shuttle for seniors each Friday morning on a small 8 passenger van that travels from Bridgton to Windham, stopping at places such as Walmart, Reny's and grocery stores.

Windham Parks and Recreation

Weekly Shopping in North Windham - We have a bus on Thursday mornings that goes to North Windham for seniors who need to get groceries, go to the bank, get prescriptions filled, or pick up a few things. Free service provided to Windham senior citizens - space is very limited so please call the office at 892-1905 to register.
